

## GRYPHON HEADWEAR ACCESSORIES

Seamless Integration Between Your Eyepro and Face Covering.

Revision's **GRYPHON ECOSYSTEM OF HEADWEAR ACCESSORIES AND GOGGLE SYSTEMS** provide the ultimate protection in a variety of environments. With our GrypMag® Technology, built-in magnetic attachment points in the frame and headwear give you the ability to seamlessly connect your goggle and headwear, creating a complete facial seal. Fully integrated goggles and headwear provide seamless coverage for missions in the most unforgiving and extreme environments.
